

**ARTICULATION AGREEMENT
STARK COUNTY COLLEGE TECH PREP CONSORTIUM AND
STARK STATE COLLEGE OF TECHNOLOGY
PART A**

Articulation is defined as the planned process with the educational system which facilitates the transition of students between the secondary and post-secondary levels of instruction and allows students to move with continuity and without hindrance through levels of the education process. (OBOR/SDOE Articulation Statement Draft, 1979)

In order for the students to receive college credit from the College Tech Prep program, the student must do the following:

- **Apply to Stark State College within one year of high school graduation**
- **Complete the college application**
- **Pay the application fee**
- **Submit a high school transcript**

Students who successfully complete the high school portion of the College Tech Prep program may receive a maximum of **12 advanced standing/articulated credits**. In addition, students may also be strongly encouraged to **test out of (free of charge)** identified courses (Each program varies, see part B)

It is the **student's** responsibility to obtain the Advanced Standing application form from one of the following entities:

- High school College Tech Prep teacher
- Guidance counselor
- Stark County College Tech Prep Office, Room B226-Business Building
- The Stark County College Tech Prep website, www.starkcountyttechprep.org

College credits awarded through the agreement will comprise part of the total credits required for an associate degree. A student who receives credit for a course without taking the course will not receive a grade to calculate into their college GPA for that course. Procedures to attain advanced standing/articulated credit are as follows:

- Completed articulation agreement in place at the time of high school graduation. This agreement will be reviewed every two years.
- Student's must earn a "B" or better in the high school course to receive articulated credit
- Student's **High School College Tech Prep Teacher** must initial next to course(s) for which students are eligible to receive articulated credit and/or test out.
- Student's **High School College Tech Prep Teacher** must submit Advanced Standing Application form to the **College Tech Prep Office**. (**Students are not permitted to handle the Advanced Standing Application once a College Tech Prep Teacher has signed the agreement**)
- Pass algebra II (or equivalent)
- Student must take 3 units of science, two of which are lab-based
- **Student must schedule interview with Interactive Media Depart. Chair -330-494-6170 4111**
- **Student must bring a portfolio during interview session.**
- **Student must take at least one course at Stark State to receive articulated credit.**
- **Upon conclusion of the interview, the Dept. Chair will either award credit, or may request a proficiency test.**
