

ARTICULATION AGREEMENT
Stark State College of Technology
and
Maplewood Career Center

The purpose of this agreement is to provide an avenue for graduates from Maplewood Career Center to enroll at Stark State College of Technology and receive advanced placement for up to a maximum of ten (10) credit hours.

Articulation is defined as the planned process with the educational system which facilitates the transition of students between the secondary and post-secondary levels of instruction and allows students to move with continuity and without hindrance through levels of the education process. (OBOR/SDOE Articulation Statement Draft, 1979).

Stark State College of Technology and Maplewood Career Center agree that college credits awarded through this agreement will comprise part of the total credits required for an associate degree. Furthermore, there will be no cost to the student of Maplewood Career Center for this college credit.

PROCEDURES

- In order for students to participate in this program, the student must complete the college application form, pay the application fee, submit a high school transcript, and request to participate in the program.
- Students must receive a "B" or better average in the high school vocational/technical program major.
- Students must receive the appropriate form from the high school subject matter teacher.
- Articulation grades (CR) will become part of the official college transcript when the student successfully completes the next course in the subject matter sequence with a "C" or better.
- The pursuit of college course work must begin within one year of high school graduation or the student will be required to follow the normal proficiency procedure.

This agreement shall be reviewed on an annual basis.

STARK STATE COLLEGE OF TECHNOLOGY
ADVANCED STANDING APPLICATION
 Automotive Technology

Student: Please complete the upper portion of this application and forward it to your instructor to complete the lower portion. The credit for advanced standing course will be given at the end of the semester. Please be sure Stark State has a copy of your final High School Transcript.
NOTE: Student must be enrolled in the technology to receive credit for course(s).
