

## PROCEDURES FOR COMPASS TEST

### **School Districts:**

- Will administer the COMPASS to College Tech Prep Juniors by November 20 (first time tested)
- Will administer the COMPASS to College Tech Prep Seniors (only to those students that did not meet the college readiness scores as a junior) by May 1. (second time tested)
- Will, unless other arrangements are made with the College Tech Prep Staff, administer the test, analyze and share results with students by:
  - Informing students if in need of remediation
  - Encouraging students to obtain tutorial program before re-testing
  - Informing students if eligible for writing sample.

### **The College Tech Prep staff:**

- Will collect/create reports and maintain data of COMPASS scores
- Will provide writing essay instruction for students
- Will notify designee of writing placement once essay has been emailed to Shelly McCombs , Associate Director at [smccombs@starkstate.edu](mailto:smccombs@starkstate.edu)

### **Miscellaneous test information**

- Students are permitted to use calculators (not permitted to use TI-89 or TI-92)
- Students may test a second time (only need to test if students do not meet college ready cut-off score in academic area)
- College Ready Scores                      **OR**                      ACT
